## Teaching

### Teaching History

- 20182017

#### **Digital Communication Engineering**

Second Semester

- 20182017

#### **Radar Engineering**

First Semester

- 20172016

#### **Electromagnetic Theory**

Second Semester

- 20172016

#### **Optical Communication Systems**

First Semester

- 20162015

#### **Electromagnetic Theory**

Second Semester

- 20162015

#### **Radar Engineering**

First Semester

- 20152014

## **Mobile Communication System**

Second Semester

- 20152014

## **Radar Engineering**

First Semester

- 20142013

## **Mobile Communication System**

Second Semester

- 20142013

## **Engineers in Society**

Second Semester

- 20082007

## **Communication System**

Second Semester

- 20082007

## **Antenna and Propagation**

First Semester

- 20072006

## **Electromagnetic Theory**

Second Semester

- 20072006

## **Antenna and Propagation**

First Semester

- 20062005

## **Electromagnetic Theory**

Second Semester

- 20062005

## **Signals and Systems**

First Semester

- 20052004

## **Electromagnetic Theory**

Second Semester

- 20042003

## **Engineering Skills II**

Second Semester

- 20042003

## **Engineering Skills I**

First Semester

- 20032002

## **Analogue Electronics**

Second Semester

- 20032002

## **Electronic Devices**

First Semester
